Pondcrete Free Liquid Testing Modification

Dominick J. Sanchini
President
Rockwell International, RFP

The proposal to modify pondcrete free liquid testing has been approved by the Nevada Operations Office (Attachment); you may proceed with the revised methodology immediately. Please be prepared to demonstrate the revised procedure to NV representatives during the surveillance scheduled for the week of October 22, 1989. Written procedures should be on hand at the repackaging facility.

Please contact either myself, or have your staff contact Mark E. Van Der Puy, of my staff at extension 2473 if you have any questions regarding this matter.
